

prog::Command

```
graph BT; Fill[prog::command::Fill] --> Command[prog::Command];
```

The diagram illustrates a generalization relationship in UML. A light gray box at the bottom, labeled 'prog::command::Fill', has a blue arrow pointing upwards to a white box at the top, labeled 'prog::Command'. The arrow indicates that 'prog::command::Fill' is a specialization or generalization of 'prog::Command'.

prog::command::Fill
